Google Workspace services. Core services include Gmail, Calendar, Contacts, Drive, Docs, Forms, Groups, Sheets, Sites, Slides, Chat, Meet, Vault and others.
You can learn more about these services in the Services summary. You can learn more about your privacy while using those services in the Google Cloud Privacy Notice. Your school's agreement with Google describes your use of these services.
There are no ads shown in Google Workspace for Education core services. Also, none of the personal information collected in the core services is used for advertising purposes. Other services may also be made available under your school's Workspace agreement.
Google Workspace additional services include Google Search, Maps, YouTube and others.
Your school decides which additional services that you can use with your account. If you use this account to access additional services, your use of those services is explained by their terms, such as the Google Terms of Service, the Google Privacy Policy and any service-specific terms. If you access third party services with your account, separate terms and policies set by those third parties will apply.
Some additional services show ads. But if you're using this new account(a rex@student.clu.ac.ug) in primary and secondary schools (K-12), we don't show you personalised ads, which means that we don't use information from your account or past activity to target ads. However, we may show ads based on other things like your search query, the time of day or the content of a page you're reading.
Your use of Google services on this a rex@student.clu.ac.ug account is also limited by your school's internal policies.
You can review and change your privacy settings at myaccount.google.com.
You should ask your school, parent or guardian for help understanding this or any of the information at the links shared above.

Hi rex post,
A new account has been requested at 'CIU ODeL Platform'
using your email address.
To confirm your new account, please go to this web address:
https://odel.ciu.ac.ug/auth/oauth2/confirm-account.php?token=rtlJ368R5C66M87&username=p.rex%40student.ciu.ac.ug
In most mail programs, this should appear as a blue link
which you can just click on. If that doesn't work,
then cut and paste the address into the address
line at the top of your web browser window.
If you need help, please contact the site administrator,
Admin User
If you did not do this, someone else could be trying to compromise your account.
Please contact the site administrator immediately.
